

ASSW600/00W

UNIVERSAL SWIVEL STAND

The PPDS Universal Swivel Stand features a universal design that is compatible with Philips Professional TV sizes between 32 and 58 inches. This stand is VESA compliant with hole patterns up to 400mm x 300mm, and holds up to 30kg. Its hook and support pillars are height adjustable, enabling you to set your TV on your desired level.

The swivel function is adjustable from -25° to $+25^{\circ}$ to allow for optimal viewing angles. Steel and glass construction ensure sturdiness and durability to keep your Philips TV steady.
