PATRIOT™

Xporter 3 USB 3.2 GEN 1 Slider Type-A Flash Drive 128GB

Patriot's XPorter 3 USB 3.2 Gen 1 Slider Type-A Flash Drive is the premier portable USB to help take on the day with ease. Featuring Read speeds of up to 80MB/s and support from UASP mode for fast response, the XPorter 3 allows for quick and productive transfers of any size of files, photos, videos and music whenever you need them.

Along with compatibility with many current and previous Windows, Linux and Mac operating systems and exFAT Formatting, the XPorter 3 features backwards compatibility with previous USB versions. The XPorter 3 also features an easy to use capless slider body and a key chain holder on the end, allowing for ultimate convenience with a plug and play and driver-free approach. Backed by Patriot 2-year warranty, Patriot customer service and designed with best-in-class materials, the XPorter 3 is a reliable flash storage solution built to carry the workload.
