TUF GAMING AS1000

USB 3.2 Gen 2x1 Portable SSD

THE TOUGHEST OF ITS KIND

The TUF Gaming AS1000 external SSD features a high-performance M.2 NVMe® PCIe® SSD and exceptional cooling for ultrafast data transfers. And your precious data is protected from everyday spills and knocks by IP68 water-and-dust-resistance certification and military-grade MIL-STD-810H drop resistance.

There's even bundled NTI Backup Now EZ software for easy data backup and recovery.

USB-C® 3.2 Gen 2x1 offers wide-ranging compatibility with PCs, laptops, and the latest generation gaming consoles.

TUF GAMING

FEATURE

IP68*

water and dust resistance

MIL-STD-810H**

drop resistance

Exceptional Cooling

10x Faster than HDD***

*IEC 60529 standard – Water resistance test

**MIL-STD-810H 516.8, procedure IV – Transit drop test

***Results based on internal comparison tests against an ASUS FX external HDD 1TB(EHD-A1T) for 100 GB file transfers.
